

A Recipe From *tikkido*

Stewed Rhubarb

<https://tikkido.com/blog/stewed-rhubarb-recipe>

Stewed Rhubarb

- 1 ½ pounds rhubarb
- ½ cup water
- ½ cup sugar

Instructions

1. Add all ingredients in a large saucepan.
2. Cook over high heat until the rhubarb softens and breaks down to make a rhubarb compote.
3. If you want a thicker sauce, cook longer to evaporate more liquid.
