Homemade Hot Chocolate Mix

<https://tikkido.com/blog/homemade-hot-cocoa-mix-recipe>

Ingredients:

- one large (22oz these days) package of Nestle Quick powder
- one box powdered milk (25.6oz size)
- one container powdered coffee creamer (15oz size)
- one pound powdered sugar
- ¼ to ½ cups unsweetened cocoa powder
- 1 teaspoon salt

Instructions:

1. Mix all ingredients together in a VERY large bowl.
2. To make the hot chocolate, fill about ⅓ of a mug with the cocoa mix, then add hot water.
3. Stir well and enjoy.
