Cookies and Cream Cereal Treats

- 10 ounces Oreo cereal (about 8 1/2 cups)
- 8 Oreo cookies, crushed
- one bag of mini marshmallows (16 ounces)
- 1 1/2 sticks butter (that's 12 Tablespoons of butter, or 6 ounces)
- 1/4 teaspoon salt
- 1 teaspoon vanilla extract

Instructions

1. Melt butter in a large saucepan. Continue cooking until butter browns, and is a rich golden color.
2. Remove from heat, and mix in vanilla and salt.
3. Add marshmallows to butter, and use residual heat to melt the marshmallows. Stir to combine with butter.
4. Pour melted butter and marshmallow mix over the Oreo cereal and crushed Oreos. Stir to coat.
5. Press mixture into a 9x13 pan.
6. Let cool before cutting.
