Gingerbread Salt Dough Ornaments:

- 3 1/2 cups flour
- 1 cup salt
- 1/2 cup cinnamon
- 1 Tablespoon ginger
- 1 1/2 cups warm water

Instructions:

1. Dissolve the salt in the warm water.
2. Mix the spices and flour into the salt water solution.
3. Knead the dough together, protecting your hands with gloves (I used food-prep gloves).
4. Roll out the dough and cut shapes out of the dough.
5. Use a straw to cut out a small hole in the top of each ornament for the string.
6. Bake at 300 degrees for approximately one hour.
7. Decorate with white puff paint.
