Strawberry Cheesecake Popsicles

- 1 package Cheesecake flavored Jello Pudding
- 2 cups milk
- 2 cups sliced strawberries
- ¼ cup sugar

Instructions:

1. Mix milk and pudding mixture and set aside to firm.
2. Mix sliced strawberries and sugar, and mash until mostly puree, with small chunks of berries.
3. Spoon berry puree and cheesecake jello into a popsicle mold, alternating between the two ingredients.
4. Freeze for at least 5 hours before removing the strawberry cheesecake popsicles from the popsicle mold.
