Non Dairy Fudgesicle

Recipe:

- 3 cups Almond Milk
- 1/2 cup unsweetened cocoa powder
- 1/2 cup sugar
- 2 teaspoons cornstarch
- 1/2 teaspoon salt
- 2 teaspoons vanilla extract

Instructions:

1. Place all ingredients in a large saucepan and whisk together, cooking it over medium heat, just until the sugar dissolves and the mixture thickens *slightly*. It only takes about two minutes.
2. Transfer the chocolate mixture back into a liquid measuring cup (so it's easier to pour), and pour it into the popsicle mold of your choice.
3. freeze for several hours, until frozen solid.
