

# A Recipe From *tidy*kido

## Gross Anatomy Cookies

(the best oatmeal chocolate chip cookies EVER)

### Ingredients:

- 2 sticks butter, softened
- 1 cup brown sugar
- 1 cup sugar
- 2 eggs
- 1 teaspoon vanilla
- 1 teaspoon salt
- 1 teaspoon baking soda
- 1 1/2 cups flour
- 2 cups oatmeal
- 1 cup wheat germ
- chocolate chips, to taste (I like about a cup)

### Instructions:

1. Cream the butter and sugars together, then beat in the two eggs. Add the rest of the ingredients except for the chocolate chips, and mix to form a thick dough (this is a very forgiving recipe, and you can totally just dump it all in there and mix). Add the chocolate chips at the end and mix just until spread through the cookie dough.
2. Scoop the dough out on a parchment-lined or greased cookie sheet.
3. Bake at 350 Fahrenheit for approximately 10 minutes. Let cool COMPLETELY before removing from the parchment.
